Verified Beef Operation Agreement

I have read and understand all Verified Beef's participation requirements. I affirm that I am subject to all relevant trademark and patent laws. I agree to comply with all requirements, and understand that I am responsible for the accuracy of all information provided to Verified Beef. I agree to make available to representatives of Verified Beef all records pertaining to cattle enrollment. I agree to indemnify Verified Beef from any liability for errors, mistakes, or omissions in the information that I provide.

As a participant in the Verified Beef program I understand that I am subject to a random onsite audit by Verified Beef and/or the United States Department of Agriculture (USDA).

**In the event you default on your account, you agree to pay all costs of collection including but not limited to collection fees up to 50 percent of any unpaid balance which is turned over to a third party collection company in addition to attorney fees and court costs.*"

Producer Name

Date

(entering name serves as electronic signature)

CONFIDENTIALITY: Animal disease trace back data may be accessed by State and/or Federal Animal Health Officials to support animal disease traceability systems. This data is limited to animal ID, date, place of movement from and place of movement to and is confidentially maintained in a relational database independent of PVP data. Animal traceability/movement data is only made available to State and/or Federal Animal Health Officials for individual animals in response to specific requests in the event of animal health issues that require such information to facilitate resolution of such issues critical to the protection of the national herd.
